

Google Geo Product Update and Resource Creation Workshop, 2019

Are you ready for a journey through the Google Earth Geo Tools and a dive into some very exciting new developments ?

This workshop is designed for teachers who want to learn more about the use of the Google Geo/Visualisation tools that they can use in their classrooms. There will be a focus on collaborative resource creation on the day.

This workshop will be on June 14th from 11am till 3:30pm at Takapuna Grammar School with a social networking event afterwards. The day will have a very special Keynote Presentation and Workshop led by [John Bailey, Program Manager for Google Geo Education](#). John is only in New Zealand for 4 days so we are very lucky to have him with us for the workshop.

The course will cover ;

-  Major Updates to Google Earth
-  Tour builder/creator for student agency
-  Google Earth Studio and Google Timelapse for creation

There will be an emphasis on teach, learn, create

The cost of the Auckland workshop will be \$15 to cover catering - Location of the workshop is [Takapuna Grammar School](#)

Please secure your place on this workshop asap as numbers for this workshop are strictly limited, [sign up at this link](#)
